0030103449

With the Flightcase P-DDJ-REV5 NSE from Zomo, you get a suitable case for the **Pioneer DJ DDJ-REV5**. The Flightcase P-DDJ-REV5 NSE in the elegant **NSE (= Night Style Edition)** impresses with its dark, black appearance. This equipment case is designed to handle the rough demands of touring and convinces with an **extremely durable quality**.

The **high-quality inner padding** of the Flightcase P-DDJ-REV5 NSE ensures optimal protection of the Pioneer DJ DJ controller against **bumps, scratches, or other negative influences**. Zomo DJ Cases are completely road- and flight-ready, enduring challenging stage environments unscathed.

Wear, heat, and even cigarette embers cannot harm the Flightcase P-DDJ-REV5 NSE, thanks to the robustly processed **laminated 9mm plywood**. The extra-wide, black-painted aluminum profiles and **very solid ball corners** ensure **high durability** and add elegant and attractive visual accents.

Comfortable **butterfly latches** keep the cover incredibly secure and allow for easy opening and closing. For added protection, all NSE cases can be locked with an **optional** lock. The design of the Pioneer DJ equipment case is also sure to impress. The stylish dark black NSE Edition design is very chic and **certainly eye-catching**.

The front panel can be quickly and easily removed during your session. This provides access to the controller's connections even **while your gear** is still in the **DJ case**.
