## NS6 - FLIGHTBAG NUMARK NS6

The Numark NS6 MIDI DJ Controller specifically matches to the Zomo FlightBag NS6, which provides excellent protection and serves generous features for your equipment. This perfect combination of DJ-Bag and Flightcase has practical advantages like a comfortable shoulder belt which is adjustable in length or the convenient outside compartments that offer plenty of space for any kind of accessories and small items. These advantages are perfectly combined with the stability of a DJ Flightcase. A very solid metal frame keeps the DJ bags shape. This is the guarantee for a long life of DJ FlightBags. Moreover, the Numark NS6 DJ Controller is well protected. Zomo FlightBags are an ideal completion to your valuable equipment and always ensure an imposing appearance. The additional pocket for the laptop and three outside pockets provide plenty of extra storage space for cables, CDs, external sound cards or other accessories. The Zomo FlightBag NS6 for the Numark DJ Controller is embedded securely and protected by the first-class interior stuffing from damage and scratches. Sheer genius and totally cool! It's Zomo!
