J MASCIS COIL CABLE, 30'

Designed in collaboration with the alternative rock icon, the J Mascis Capsule Collection captures the tone, look and feel of the legendary Dinosaur Jr. guitarist. Showcasing J's personal artwork and inspired by his unique aesthetic, this collection is bound to inspire future generations to create massive fuzzy riffs, incendiary leads and huge hooks.

0990823026

J Mascis' legendary tone and unmistakable style converge in his signature coiled cable. Featuring a pearlescent dark purple PVC jacket, the J Mascis Coiled Cable uses a thick-gauge core wire and nickel-plated connectors for transparent tone and ultimate durability.
