PROTECTOR - LAPTOP SLEEVE 15,4 INCH - BROWN

The Zomo Protector fits perfectly into the digital DJ era. It is the perfect sleeve for all laptops with a screen size of up to 15.4 inches wide screen. The Protector is an extra strong, super thick padded and yet extremely stretchy neoprene sleeve that snuggles perfectly to any laptop and protects the valuable skeleton from dust, scratches and bumps. The high-quality and slightly oversized zipper also protects the contents. The size has been optimized especially for Apple i-Book and Apple Powerbook, but is also suitable for almost all other common laptops.
