G-RACK

MOUNTING PANEL FOR K-GEAR “GA” SERIES PRODUCTS

With the **G-RACK** panel, **up to 3 K-GEAR "GA"-series products can be mounted** on each floor. Each unit of the **GA41/41L, GA43/43L** and **GA46/46L** series corresponds to one-third of the available space on each G-RACK panel, which allows for a more **complete, compact and tidy setup** in standard racks.
