The Zomo P-XDJ-R1 EXTRA NSE Flightcase (NSE = NIGHT STYLE EDITION) is ideally suited and was mainly developed for the Pioneer DJ-Mixer XDJ-R1. The Flightcase is another product from the popular Zomo Night Style Edition series that is extremely robust and durable. To avoid any movement of the device and to ensure safe transportation, the Zomo P-XDJ-R1 NSE Flightcase has been designed specifically for the Pioneer XDJ-R1. The flight case protects your valuable equipment from scratches and accidental damage and offers not only a pro-quality finish but also delivers a stunning design! Constructed from sturdy 9mm thick plywood, the outer sides are laminated in a black finish, which is extremely scratch and impact resistant making it highly resistant to general abrasion and cigarette burns etc. The extra-wide black finished aluminium profiles and massive ball corners ensure both longevity and a permanently attractive, professional design. NEW!!! The EXTRA Varation has additonal space for about 100 CDs. Sheer genius and totally cool! It's Zomo! ** The illustrated or mentioned devices are not included in delivery. They are available separately in our shop.
