DJ-TANK FLOWER LTD. - RED

The Zomo DJ-Tank Flower is the ideal add-on for the Zomo DJ-Trolley, but also makes a good figure on its own. It has a capacity for about 70 LPs and for 24 CDs with the included Zomo CD Small, which has its place within the front pocket. The two side pockets can be used to store headphones, cartridges and any other accessory. The extra meshes that are situated on the side pockets can also be used for storing handys, tickets etc. In combination with the Zomo DJ-Trolley - where the Zomo DJ-Tank Flower can be attached safely via the back leash - you can transport approx. 140 Lps and 48 CDs to your set. It comes equipped with a comfortable handle, a with Duraflex buckles fixed and length adjustable shoulder strap and a pad lock.

Sheer genius and totally cool! It's Zomo!
