CLASSIC SERIES '50S TELECASTER® NECK, LACQUER FINISH, 21 VINTAGE-STYLE FRETS, MAPLE FINGERBOARD

Crafted at our Ensenada, Mexico manufacturing facility, this genuine vintage-style Fender Telecaster® guitar neck features a comfortable vintage "C" profile and 7.25"-radius maple fingerboard with 21 vintage-style frets.

The synthetic bone nut is pre-slotted with "pilot" string location grooves to make spacing a breeze when performing the final string slot filing and a lacquer finish offers a vintage feel. This replacement neck is the perfect way to give your Tele an authentically '50s feel.
