"H-1 - 19" RACK PANEL"

The solid steel rack panel H-1 by Zomo is the perfect solution to tune unused parts of your rack. Main function here is to close the front side of your rack and to create a better appearance. Thus, a really must-have for musicians and DJs, who look for order and good optics on stage. This black rack panel of steel is available with a white ZOMO logo, which gives your rack a real modern and clear contrast. Also an important reason for using this product is the protection against dust and dirt of your rack. This rack panel is 1 HU (Height Unit).
