FENDER™ 1946 GUITARS & AMPS COASTER SET

Fender's ventures in 1946 set the stage for the company's future success, establishing a legacy of innovation, quality, and influence in the world of electric guitars and amplifiers. The guitars and amplifiers crafted in those early years epitomized ingenuity, setting new standards for tone, reliability, and playability. Fender's beautiful leather 1946 guitars and amps 4-piece coaster set is the perfect complement for your home or office. Your drinks have never looked more enticing under one of these coasters.
