DN-MC4000 PLUS NSE - FLIGHTCASE DENON MC4000

Zomo MC 4000 Plus NSE is a professional flightcase for pro-DJs or solo entertainers. The case has especially been designed for the Denon MC 4000. The sturdy design provides ultimate protection for your controller at any given time, whether on stage or during transport. Faithful to the motto "black is beautiful", the case presents itself in all black design. In addition it comes with a convenient carrying handle and two easy to use butterfly locks. The hard-wearing 9mm laminated ply wood panels create a very durable NSE case which is extremely resistant to scratches and other kind of damages. The solid aluminum profiles and ball corners also painted black and nearly indestructible. Sheer genius and totally cool! It's Zomo!
