JOE STRUMMER STRAP, LEOPARD

The Legendary Joe Strummer played guitar with an intensity that cut like a knife with raw energy and passion in every intense swipe at the strings. He was the embodiment of Punk culture and a crucial component to its development. Best known for his work with The Clash, Strummer and his bandmates were a major part of creating punk rock and has inspired countless other bands to this day.

Celebrate Joe Strummer's unparalleled style and substance with this leopard print strap. Designed to match his legendary Telecaster®, this strap features faux leopard print animal fur with a Joe Strummer signature leather badge and is backed by tubular nylon for maximum comfort.
