MFC-S4 - FLIGHTCASE NATIVE INSTRUMENTS S4 MKII - BLACK

The Zomo Flightcase MFC-S4 XT is the perfect solution to protect your Native Instruments Traktor Kontrol S4 MKI / MKII. 0030102524 This Case was designed exactly on purpose of the NI S4 MKI / MKII. The mature design makes the compact Zomo Flightcase MFC-S4 XT to a gorgeous DJ equipment unit. The shell of the Zomo Flightcase is made of robust aluminum plates and massive aluminum profiles as well as with solid rounded edges. For this reason it is extremely stable and resistant. The housing of the S4 Native Instruments Case is available in three different colors: black XT or silver XT or UK Flag. It is depending only on your individual taste what model you prefer. All colored cases are equally well-matched for storage and for transportation of your S4 MKI / MKII. This very impressive Zomo Flightcase MFC-S4 XT protects your DJ equipment against negative influences, too. So your expensive stuff is secure inside this light weighted case. It is easy to transport and to handle your controller in this case. You only need to remove the lockable lid of this fantastic Flightcase by Zomo to start your pary. There is no need to remove the Traktor S4 MKI / MKII Controller from the MFC-S4 XT Flightcase as the S4 MKI / MKII Controller by Native Instruments can be used inside this case. Sheer genius and totally cool! It’s Zomo! ** The illustrated or mentioned devices are not included. Those are available separately in our shop.
