1/4" 2-CONDUCTOR GUITAR OUTPUT JACK (6-PACK)

For a sound connection, keep your contemporary or vintage instruments in great shape with genuine Fender output jacks for a variety of electric guitar and bass models. Each two-conductor jack features high-quality nickel-plated contacts, delivering optimal signal transfer and exceptional durability.

Standard 1/4" two-conductor output jacks with mounting hardware (3/8") for use on most Fender instruments from 1952-present.
