# 30' COIL CABLE, FENDER X THIRD MAN HARDWARE, YELLOW

Jack White’s raw, gritty aesthetic and boundary-pushing creativity have made him one of the most influential guitarists of our time. Now, Fender celebrates his legacy with a bold collection of co-branded Third Man Hardware accessories—designed to embody the striking aesthetic and unmistakable style that define his artistry.

The Fender® x Third Man Hardware™ 30’ Coil Cable combines high-performance design with retro-inspired style. Featuring spiral shielding and durable nickel-plated connectors, this cable delivers reliability in the studio or on stage. Drawing inspiration from Third Man's bold aesthetic, the cable features a striking yellow PVC jacket and custom ends featuring the Third Man Hardware logo, adding a vintage flair to your setup. With its exceptional sound quality and timeless appeal, the Fender x Third Man Hardware Coil Cable brings a touch of Jack White’s legendary look to your performance.
