# PRE-SLOTTED GENUINE BONE NUT FOR ELECTRIC GUITAR, 9.5" RADIUS

Keep your guitar tuned up with top-quality parts used on U.S. Fender® instruments.

High-quality genuine bone string nut for modern-style electric guitars with a 9.5" fingerboard radius. Pre-slotted with string location grooves to make spacing and positioning a breeze when performing the final string slot filing. Please note: Some filing and shaping modification is required to ensure proper fit and performance.
