KYRIOS BK

HOME DIGITAL PIANO WITH HAMMER ACTION KEYS

The KYRIOS-BK digital piano is a great choice in the "entry-level" category.

This digital piano is equipped with a selection of high quality sounds, a fully weighted "Hammer Action" type keyboard, a realistic 3-pedal unit, powerful speakers and full-sized cabinets.

The keyboard is made with graduated weight zones so as to have a strong resistance on the bass side and light on the treble side and therefore very useful for practicing.

The added functionality of USB-Audio offers the convenience of being able to record your performance directly to a smartphone or computer without the need for an additional interface.

The black finish adds a touch of elegance to the KYRIOS-BK digital piano making it suitable for any type of furniture.
