

**JUKEY49-BUNDLE****ARRANGER KEYBOARD WITH 49 MINI-SIZE KEYS AND POWER BANK + CARRYING BAG**

JUKEY-49 is a compact keyboard with 49 mini-size keys designed specifically for those who are starting to take their first steps in learning music while having fun with this instrument.

The JUKEY-49 keyboard comes with a large selection of good quality sounds, rhythms and music content that allows you to play and enjoy countless musical genres.

JUKEY-49 offers the function for automatically recognizing and changing chords which makes it easy to use musical accompaniment even if you are a beginner.

This keyboard is equipped with functions normally found in larger keyboards such as REC and PLAY.

The functions, versatility, compactness, possibility of battery operation or with the supplied Power Bank make this keyboard a tool oriented towards learning and school use.
