

FK11 200

## 2 METERS MINI TRUSS (F70EST231)

Structure designed for stands or displays that do not require heavy load adaptation. Its dimensions of 112 x 112 mm allow for a compact and very stable assembly. Different lengths available. To complete the structure, the series includes a square corner block, a hinge adapter, as well as a base plate for securing vertical pillars and joint connectors between sections.
