FK11 050B

0,5 METERS MINI TRUSS BLACK (F70EST248)

Structure designed for stands or exhibitors where it is not necessary to adapt large loads. Its dimensions of **112 x 112 mm** allow to achieve a compact and very firm assembly. Made of aluminum, and available in sections of 0,50 / 1 / 2 / 3 meters To complete the structure, the series incorporates a square cube for the corners and a hinge adapter, in addition to the fixing base for the vertical columns and the connecting connectors between sections.
