NCK-330 WH

DIGITAL PIANO WITH CABINET AND TRIPLE SENSOR HAMMER ACTION KEYBOARD - WHITE

The **NUX NCK-330** digital piano, with its meticulous design and comprehensive upgrades, delivers exceptional sound quality and outstanding playing experience. The latest NUX WKJ-03 **triple-sensor hammer-action keyboard** and advanced sound processing technology, together with effects and functions like layered sounds, split keyboard, pianist accompaniment styles and customizable pedals, reproduce the real touch of a **grand acoustic piano** and meet the performance needs of different styles.

The NCK-330 supports various connection options including **Bluetooth Audio** and **MIDI**, **USB Audio** and **MIDI recording**. You can easily record video using your phone camera via **OTG**, play accompaniments via Bluetooth, connect to tutorial APPs, or trigger virtual instruments sounds, perfectly realizing your various needs for a contemporary keyboard.

DIGITAL PIANO WITH CABINET AND TRIPLE SENSOR HAMMER ACTION KEYBOARD - WHITE

HIGHLIGHTS

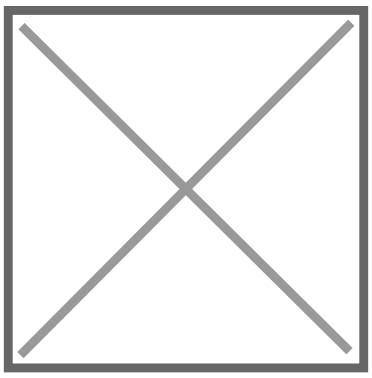

ACOUSTIC PIANO FEEL AT YOUR FINGERTIPS

The NCK-330 is equipped with NUX WKJ-03 Triple-Sensor Scaled Hummer-Action Weighted Keyboard with escapement and synthetic ivory/ ebony keytops. The touch response curves has been refined. You can select the ideal touch response to match your playing style, making your performance more expressive.

RICH AND DYNAMIC SOUNDS WITH A MAX. POLYPHONY OF 256

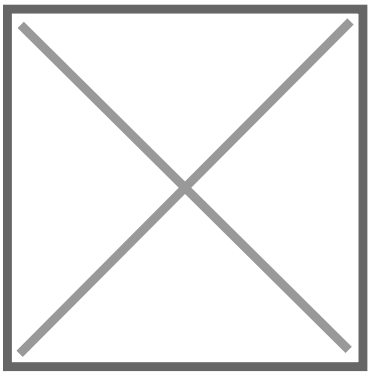

The NCK-330 features a total of 143 high-quality sounds, within which the grand piano sound comes from the latest sampling and processing of a German nine-foot grand piano. All sounds have been optimized, making them more realistic and expressive. With a maximum polyphony of 256, it meets nearly all the needs of players and music lovers.

CUSTOMIZABLE PEDAL-UNIT WITH 7 FUNCTIONS

The pedal unit of the NCK-330 supports half-pedal, authentically reproducing the delicate sounds of high-end acoustic grand and upright pianos.

Besides, the pedals of NCK-330 break through from the constraints of the traditional piano and can be flexibly customized. There are 7 options for you to assign to each of the pedals: Damper, Soft, Sostenuto, Modulation, Volume, Pitch Up, Pitch Down

PIANIST ACCOMPANIMENT STYLES

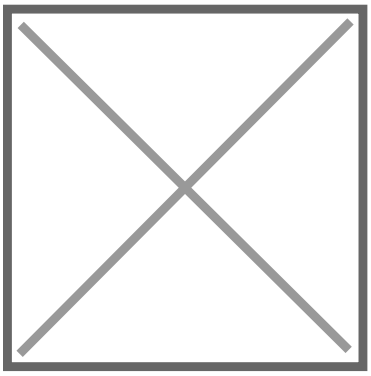

With 50 built-in pianist accompaniments, you can choose the music style that suits you best. Whether it's classical or jazz, these accompaniment styles will help to inspire for more improvisation and creation and unleash your musical potential.

PROFESSIONAL EFFECTS ADJUSTMENT

To provide you with an amazing sound experience, the NCK - 330 includes professional reverb and chorus effects such as Room, Hall, Plate, and more, making the playing experience more exciting.

USB AUDIO & MIDI RECORDING

With just one USB cable, you can use your phone or computer to record high-quality USB audio. Simply turn on the phone camera, if you prefer to record video and audio simultaneously. Simple and convenient.

The NCK-330 also supports USB MIDI. It can be used as a MIDI keyboard to trigger external sound source, or connect with tutorial software. Versatile and powerful for various occasions.
