FENDER® WINGS TO FLY T-SHIRT, VINTAGE BLACK, M

As Leo Fender once said, "*All artists are angels and it is our job to give them wings to fly*" We will continue Leo's mantra with our, **Fender® Wings to Fly** t-shirt.

The front graphic gives you a feeling of nostalgia from an era where rock n' roll was thriving. The vintage vibe will make you feel like the t-shirt was bought decades ago at your favorite show!
