LOGO STOMPSOCK WHITE SOCKS, SIZE L

Comfort desgined for the stage, studio and stompbox. Fender® Toe Tap Technology™ features strategically placed cushioned zones to absorb impact and constant motion where you need it most. Perfect for protecting your feet and allowing peak performance. Made from a combed cotton blend to move with the contours of your foot. A woven arch support enhances mobility while a mesh top panel keeps your foot cool and moisture free. Stomp around and have fun!
