CUNIFE™/COBALT CHROME JAZZMASTER® PICKUP SET

A curated set of Jazzmaster pickups that deliver the distinction of Cobalt Chrome and the warm articulation of CuNiFe™ to your instrument. Voiced by tone guru, Tim Shaw, Cobalt Chrome and CuNiFe™ is the perfect magnetic combination to unlock your Jazzmasters full tonal potential. The Cobalt Chrome bridge pickup and CuNiFe™ neck pickup bring a balanced voice and added dynamic range to this classic Fender offset design.
