FENDER WORK MAT, GRILL CLOTH

Repair and restore your instrument like a professional. The Fender® Work Mat features a finish-safe neoprene pad and textured anti-slip bottom grip for ultimate durability. The included padded neck cradle holds your guitar at the proper angle for maintenance and adjustment. Crafted from durable EVA foam, the mat rolls up for quick and easy storage or on-the-go routine repairs. Elevate your work bench with the unmistakable look of Fender’s iconic designs – tweed and amp grill cloth.
