

ST-103

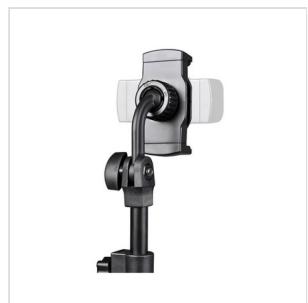

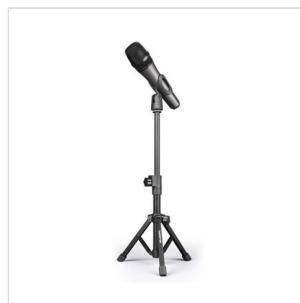

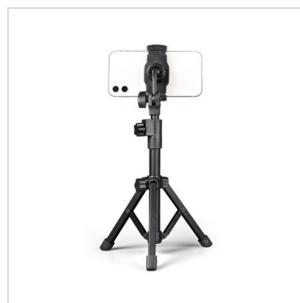

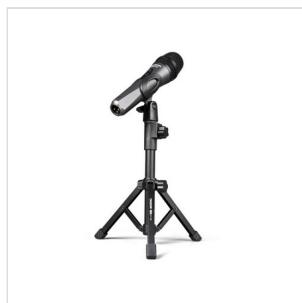

## TABLETOP WEBCAST STAND FOR MICROPHONE AND SMARTPHONE

**ST-103** is a must-have accessory for **content creators**.

Placed in your desk, includes a smartphone holder with a ball-and-socket joint that allows it to be quickly and precisely oriented for **perfect live streaming**.

If, on the other hand, you intend to record audio only, such as in a podcast, the package also includes an interchangeable microphone stand.

Of sturdy metal construction, it offers maximum stability. It's foldable and can be carried easily for streaming on the go.
