FLT-OPUSQUAD

PIONEER OPUS-QUAD FLIGHT CASE

Compact protective case for your DJ console all in one. This case is the perfect size for the OPUS-QUAD. It features a removable lid, allowing easy access to cables, and includes handles and wheels for easy transport. The lightweight and durable FLT-OPUSQUAD case is the safest way to take your OPUS-QUAD from point A to point B.

This product is only available in the EMEA region.
