G-WALLHANG-1

WALL MOUNT BRACKET FOR GU210

The **GU210 Wall Mount Keyhole Hanger Kit** is a **dedicated mounting system** for the **GU210 subwoofer**, designed to provide a **safe, stable, and low-profile wall installation**. The kit includes **2 metal brackets**, a **support bushing**, and **adhesive**, allowing for easy **keyhole-style mounting**, ensuring accurate and hassle-free placement in commercial, corporate, or residential settings.

Fully made of stainless steel, it matches the **durability and finish** of the GU210, ensuring perfect **aesthetic and functional integration** for any permanent installation where robustness and discretion are key.
