FENDER® X WRANGLER® RIPPED DENIM STRAP, BLACK

A little bit country, a little bit rock ‘n’ roll, our collaboration with the iconic denim label pays homage to daring artists and the denim that shaped their style for decades. Two American heritage brands, the Fender® x Wrangler® line of accessories is the co-headlining tour you didn’t know you needed. These icons, with legacies rooted in authentic self-expression and independence, have teamed up on a collection designed to fit every style and any stage. With great attention to detail, each product is a timeless tribute to both iconic brands and features authentic Wrangler materials.

A strap that fits as comfortably as your favorite pair of jeans, the Fender® x Wrangler® Denim Straps are the perfect way to add more flair to your Fender. True to the iconic pocket design, these straps feature gold stitching, custom leather patchwork, and copper rivets and hardware.
