5 PORT HDMI 4K60 SEAMLESS MULTIVIEW KVM SWITCH

This advanced HDMI® 4K60 switch is capable of displaying up to four sources simultaneously on a single 4K screen, with KVM control via USB Type-B ports. It offers five different multiview modes: Single, PIP, PBP, 3xWIN, and 4xWIN. With the USB roaming function, you can control different sources via KVM simply by moving the mouse pointer from one window to another.

The unit features four HDMI® inputs and one USB Type-C video input. Seamless switching prevents black screens or display interruptions. All functions can be controlled in multiple ways: using the front panel buttons via the OSD menu, the included IR remote control, keyboard hotkeys for KVM selection, the graphical user interface, or via TCP/IP and RS-232 software commands. These versatile features make the switch ideal for a wide range of installations, from professional AV solutions to mission-critical control rooms, including broadcasting, e-sports, and security applications.

It also provides an additional HDMI® output for local monitoring or video capture when paired with an HDMI®-to-USB capture device. The 3.5mm analog and optical TosLink digital audio outputs allow independent audio switching and support multiple audio formats; with LPCM 2.0, volume control is also available.

PRODUCT DETAILS

KEY FEATURES

KVM or video management for 4 HDMI® inputs and 1 USB Type-C input

Seamless switching, EDID management, 5 multiview modes, and KVM function with mouse roaming

Control via OSD menu, IR remote control, hotkeys, TCP/IP, and RS-232 commands

3.5mm and TosLink audio outputs with volume control

2-year warranty

SPECIFICATIONS

AV Interface		HDMI®, Type-C
Console Interface		USB
Interface Standards		HDMI® 2.0, USB 2.0
Maximum Supported Resolution		4096×2160 @60Hz, 4:4:4, 8-bit
HDCP Support		2.2
Audio Support		LPCM, AC3, DD+, DTS, DTS-HD up to 7.1
Separate Audio Ports		3.5mm, TosLink (Optical)
Serial Interface		4-pin Phoenix
Number of Consoles	1	
Maximum Number of PCs/Servers	5	
Cascade Support	No	

FRENEXPORT

5 PORT HDMI 4K60 SEAMLESS MULTIVIEW KVM SWITCH

Switching Methods	OSD menu, IR remote control, hotkeys (KVM), TCP/IP, and RS-232 commands
19" Rack Mountable	No
Special Features	Multiview, Seamless switching, USB roaming, volume control
Console Interfaces	2× HDMI® (Female), 2× USB Type-A (Female), 3.5mm Audio (Female), TosLink (Female)
PC/Server Interfaces	4× HDMI® (Female), USB Type-C (Female), 4× USB Type-B (Female)
Other Interfaces	RS-232 4-pin Phoenix, RJ45, USB Type-A (Female, service)
Power Input	5.5/2.1 mm
Dimensions (W×H×D)	219 × 146 × 44 mm (8.62 × 5.75 × 1.73 in)
Housing Material	Metal
Net Weight	1.3 kg (2.87 lb)
Operating Temperature	0°C to 40°C (32°F to 104°F)
Storage Temperature	-20°C to 60°C (-4°F to 140°F)
Humidity	10–70% RH (non-condensing)
Power Supply	12V DC, 2.5A
Color	Black
