GeoTag Compact

COMPACT GPS TRACKER PLUS 1 YEAR OF GPS TRACKING PLATFORM SUBSCRIPTION

GeoTag Compact

Every event, tour, or production comes with risk—lost, misplaced, or stolen equipment can cost your business thousands. **GeoTag** provides real-time tracking, theft alerts, and historical location data to keep your rental assets safe, visible, and recoverable.

GeoTag™ is the professional asset tracking solution by **TAZAAR**, developed for media & entertainment, providing unrivalled tracking in over **170 countries worldwide**.

This self-contained variant with robust housing and attachments for clips or screws is ideal for fixing within crates, flight cases, or directly to high value equipment.

Its **USB-C** power connector and **10-day standby battery** provide flexibility in charging approach.

Each purchase comes with 1 years of coverage and location services via the GeoTag platform, with the option to extend the service at a reduced rate after 1 years.
