GeoTag Long Life

GPS TRACKER PLUS 1 YEAR OF GPS TRACKING PLATFORM SUBSCRIPTION

When gear is constantly on the move — across long tours, extended hires, or remote productions — keeping track of valuable equipment becomes a challenge.

Power sources aren't always available, and downtime for charging simply isn't an option. The **GeoTag LongLife** is built for these demanding conditions: an **extended-runtime GPS tracker** designed to keep working when the road is long.

With **up to 90 days of battery life**, it provides reliable, tamper-proof location data even in areas with limited connectivity. Trusted by tour managers, production crews, and AV professionals, GeoTag LongLife ensures **consistent tracking and peace of mind** throughout the journey.
