AURISONIC™ 60-12L ACOUSTIC GUITAR STRINGS, PHOSPHOR BRONZE, 12-STRING, GAUGES .010-.048, (12), 0730060423

AuriSonic™ Phosphor Bronze strings deliver rich, resonant warmth and tonal clarity, with complex harmonics and beautifully balanced highs. Perfect for singer-songwriters, solo performers, or full-band settings, these strings offer a soft, mellow voice that brings out the full character of your acoustic guitar. Long-lasting and expressive, they let your playing shine with natural, dynamic tone and articulate presence.
