PRODUCT DETAILS

KEY FEATURES

UltraCore™ Nickel-Plated Steel strings are designed for players who demand more—delivering ultra-refined feel, defined clarity, and fortified tuning stability. At the heart lies our reinforced UltraCore™ high-carbon steel wire, engineered for rock-solid pitch control and unmatched strength under pressure. Wrapped in premium nickel-plated steel, these strings offer enhanced tone, durability and razor-sharp definition that elevates every note.

Reinforced UltraCore™ high-carbon steel core delivers strength, elasticity, and consistent tuning

Hex core construction ensures precise intonation and balanced tension

Premium nickel wrap wire enhances clarity, warmth, and dynamic response

Built for higher break resistance and less frequent retuning

Color-coated ball ends in classic Fender colors for quick, effortless string changes

Made in the U.S.A.
