PACK OF 3 ULTRACORE™ BULLETS™ 420R GUITAR STRINGS, NICKEL-PLATED STEEL, BULLET END, GAUGES .010-.046, 0733250606

UltraCore™ Nickel-Plated Steel bullet-end strings are designed for players who demand more—delivering ultra-refined feel, defined clarity, and fortified tuning stability. At the heart lies our reinforced UltraCore™ high-carbon steel wire, engineered for rock-solid pitch control and unmatched strength under pressure. Wrapped in premium nickel-plated steel and paired with our patented bullet-end design built specifically for the Stratocaster®, these strings offer enhanced tone, durability, and razor-sharp definition that elevates every note.

PRODUCT DETAILS

KEY FEATURES

- Premium nickel-plated steel strings for lasting tone, stability, and feel
- Engineered with bullet ends for superior sustain and rock-solid tuning stability
- Reinforced UltraCore™ high-carbon steel core delivers strength, elasticity, and consistent tuning
- Hex core construction ensures precise intonation and balanced tension
- Premium nickel wrap wire enhances clarity, warmth, and dynamic response
- Built for higher break resistance and less frequent retuning
- Fender's patented Bullet-end strings are the best strings for your Strat, creating a sonic coupling between the string and bridge block, for rock solid tuning stability and increased sustain.
- Made in the U.S.A.
- Pack of 3

SPECIFICATIONS

Gauges .010-.046

Material	Nickel-Plated Steel
String Ends	Bullet End
