SUBSONIC™ 7250HM BASS STRINGS, NICKEL-PLATED STEEL, LONG SCALE, GAUGES .050-.105, 0737250408

SubSonic™ 7250 Nickel-Plated Steel strings deliver bright, roundwound tone with a fast, comfortable feel beneath your fingers. Combining the high output and dynamic sound of steel with the smooth playability of nickel, these strings make your bass cut through with clarity and punch. Perfect for rock, blues, and beyond, they provide a highly articulate response that lets your bass personality shine through.
