FENDER® X MUSICNOMAD™ TOOL KIT

All the tools you need to work on your Fender instrument brought to you by two of the best names in guitar care, Fender and MusicNomad. This co-designed tool kit offers the exact, premium tech tools and bits you need to keep your Fender instrument dialed in to peak playing condition without all the guesswork.

Featuring a collection of preselected screwdriver bits, hex keys, custom heel-adjust truss rod tool, and MusicNomad's socket-wrench-equipped ballistic nylon Octopus screwdriver handle, this professional tool kit has everything you need to setup and adjust your Fender instrument. These tools are built to last covering adjustment to bridges, saddles, truss rods, pickguards, potentiometers, jacks, and more, all neatly secured in a rugged aluminum travel case ready for any gig bag or tech bench.?
