J MASCIS STRAP SERIES

Designed in collaboration with the alternative rock icon, the J Mascis Capsule Collection captures the tone, look and feel of the legendary Dinosaur Jr. guitarist. Showcasing J's personal artwork and inspired by his unique aesthetic, this collection is bound to inspire future generations to create massive fuzzy riffs, incendiary leads and huge hooks.

Featuring psychedelic designs and Dinosaur Jr. colorways, the J Mascis Magenta Flower Strap is crafted from smooth polyester and fully adjustable for long-lasting performance.
