PURE VINTAGE STRATOCASTER® "PAT. PEND." SADDLE KIT, NICKEL-PLATED

Many of Fender's Pure Vintage hardware and bridges are crafted where possible on the same tooling and machinery as our original-era Fender parts. Some of this original tooling has been diligently rebuilt to achieve the crisp clean construction of original vintage Fender products, though many Pure Vintage parts still retrofit several of our modern instruments and amplifiers. Whether you are personalizing, modifying or restoring, there is no better way to maintain the proud heritage and period-correct accuracy of your classic Fender instrument or amp.

Pure Vintage Stratocaster "Pat. Pend." Saddle Kit

- Set of six nickel-plated steel Stratocaster saddles
- Completely retooled to vintage specs for crisp, clean look and feel
- "Fender Pat. Pend." stamped on each saddle
- Includes intonation springs, Phillips head intonation screws and hex saddle height adjustment screws
- Introduced on 1954 Stratocaster® guitar
- Used on American Vintage '56, '59, and '65 Stratocaster guitars
- Fits most vintage and modern Stratocaster bridges with vintage (2 3/16") mounting spacing and vintage six-screw mounting design
