PURE VINTAGE PICKGUARD, '58 P BASS®, 10-HOLE MOUNT, GOLD ANODIZED, LACQUER FINISH

From vintage bobbin construction to genuine original-era cloth wiring, all Fender Pure Vintage pickups are wound to precise specifications for authentic, traditional Fender tone and performance. Our Pure Vintage pickguards utilize many of the same materials as those used from our original vendors in the '50s and '60s for an eminently classic vibe.

Pure Vintage '58 Precision Bass Pickguard

- Gold anodized 10-hole-mount pickguard
- Pre-drilled for thumb rest and pickup cover mounting
- Fits most vintage-style and modern Precision Bass® guitars; will not fit left-hand, five-string or American Deluxe models
- May require drilling into body for proper mounting
