

EPS165

PROSTEELS BASS GUITAR STRINGS, CUSTOM LIGHT, 45-105, LONG SCALE

ProSteels are D'Addario's brightest and most magnetic bass strings. A specialized steel alloy delivers harmonically rich, brilliant high-end coupled with deep, tight lows that work in tandem to create the coveted "Piano tone" steel players crave. Great for both articulate fingering or aggressive picking, ProSteels give you the extra edge and punch you need to cut through the mix. EPS165 is a popular D'Addario hybrid bass set combining the high strings from an EPS170 (.45 and .65) with the low strings from an EPS160 (.85 and .105). This set is optimal for players looking for the ideal combination of biting high end, punchy lows and super long life. Fits basses with a string scale length of up to 36 1/4 inches.
