

400 SERIES BOOM CYMBAL STAND

Students and beginners are normally with a low budget, but they still need a solid hardware to practice with. It's worthless to buy a cheap stand which is unstable, difficult to adjust or get rusted in a few weeks. With this concept in mind, Peace developed hardware series 400 and 500 which are suitable for students and beginners. Sturdy enough for home or rehearsal use, they are built with the same principles of stability and performance of the higher models without breaking your budget.

PRODUCT DETAILS

KEY FEATURES

Boom cymbal stand	
Low budget	
Resistent tubing	
Finish: chrome plate	
SPECIFICATIONS	
Dimensions (mm)	height 750 min - 1110 max
Tube dimensions (inch*mm)	up 5/8"*480, medium 3/4"*480, bottom 1"*480, holder 1/2"*508
Weight	3.14 kg
Weight
