

EXL145

EXL145 NICKEL WOUND, HEAVY, PLAIN 3RD, 12-54

XL Nickel Wound, D'Addario's most popular electric guitar strings, are precision wound with nickelplated steel onto a carefully drawn, hexagonally shaped, high carbon steel core. The result, strings with long lasting, distinctive bright tone and excellent intonation, is ideal for the widest variety of guitars and musical styles. EXL145 is a popular choice for rock and metal where heavier gauges are required. A plain 3rd/G string offers more flexibility than traditional 12-gauge electric strings. Optimized for down tuning!
