GEORGE HARRISON ROCKY INSTRUMENT CABLE, 10' (3M)

George Harrison's impact and influence on popular music is legendary. Together with the Beatles and throughout his brilliant solo career, he crafted the soundtrack of a generation and his masterful guitar work inspired countless musicians that followed. George played a variety of iconic guitars throughout his career, but the most visually distinctive was his 1961 Sonic Blue Stratocaster hand-painted in psychedelic Day-Glo orange, red and yellow, affectionately called "Rocky."

Featuring a psychedelic woven jacket, custom molded ends and George Harrison's signature on the housing, this high-performance cable will maximize the purity of your tone in incomparable style.
