MARINE BAND HARMONICA - TUNING C >DO

Harmonica, a natural globetrotter in all kinds of music: Rock, Pop, Jazz, Blues, Folk, Classic and much more! The harmonica is nowadays popular in almost every music style, and Hohner, the world's biggest manufacturer of quality harmonicas, is proud to be a supplier of high quality instruments for exactly 150 years now. To continue this tradition we are investing constantly in research and development. When Sonny Boy Williamson II played his well known piece "Bye Bye Bird", the harmonica he used was a model called the Echo Vamper. This was the British version of the Marine Band 364 offered here, the construction of which has not changed since (with the exception of the cover engravings).
