

CP-3 CAJON PEDAL WITH ADJUSTABLE ATTACHMENT

Cajons are becoming increasingly popular in a wide range of musical styles. It is often used as a substitute of a bass drum. Peace respond to this need introducing the cajon pedal CP-3. This pedal is built with the same quality of all other Peace drum pedals, but using a base plate to brace the cajon ensuring maximum stability and a wire system for remote use. A must have for modern drummers and percussionist of all styles!
