

M211K

61-KEYS "TOUCH RESPONSE" ENTRY LEVEL KEYBOARD WITH RICH AND DYNAMIC SOUNDS.

M211K is a compact instrument in size but it is equipped with functions and playability for any aspiring musicians. It comes with 580 stereo sampled voices and 200 preset styles in various music genres which allows you to play any music with a full band backing. The Keyboard touch response enables expressive performance by reflecting the differences and nuances of every touch. It also comes with 10 reverb and 8 chorus so you can adjust parameter for both ambience and special effect according to your liking. Having an arpeggiator is particularly entertaining where you will play one note and a beautiful phrase will be automatically formed. M211K is simply the keyboard every aspiring musician should have.
