AMERICAN VINTAGE TELECASTER® THREADED BRIDGE SADDLES, NICKEL (3)

Made from the highest-quality material, Fender® bridge sections come with springs and screws (except where noted).

Set of three vintage-style threaded nickel-plated steel Telecaster® bridge saddles. Package includes saddles, intonation springs and screws, and saddle height adjustment screws.

Used on American Vintage Series (US) Telecaster models. Saddles will not fit a standard six saddle bridge plate.
