

A810

61-KEYS PORTABLE AND LIGHTWEIGHT KEYBOARD "TOUCH RESPONSE" WITH HIGH QUALITY OF ACCOMPANIMENT STYLES AND VOICES.

The A810 is a lightweight 61-key portable keyboard with "Touch Response", durable and new for any musical need. The lightness of this keyboard allows easy transport. The many preloaded styles, voices and songs give the possibility to play many musical genres giving space to the user's creativity. The learning tutorial system allows to easily practice who is starting to play. Being equipped with a USB connection, the A810 keyboard can be connected to a computer and use USB / MIDI functions. This keyboard is perfect both for experienced musicians and for those who are just starting to make musical performances.
