4 OCTOBANS SET 8-12" WITH STAND

The sharp metallic BARK! Peace Octabans are the perfect sonic addition for the ever-evolving drummer of today. Each aluminum shell is precision milled to a 6" diameter and cut to span in depths from 8" to 22" to provide contrast to the warmth of standard wood drums. The 4 octoban packages include a stand for stable placement anywhere on the kit. Whether as an expansion for an existing set-up, or an addition of the entire octave (all 8 drums, tuned high C to low C,) Peace Octabans are an onslaught of percussive possibility!
